State Grant Awarded

RALEIGH - Insurance Commissioner and State Fire Marshal Wayne Goodwin announced that the Lowell V.F.D. Inc. was awarded a \$25,023.04 grant through the 2015 Volunteer Fire Department Fund from the State of North Carolina.

"Fire and rescue organizations protect our communities large and small across North Carolina, but sometimes their budgets don't grow with their responsibilities," Commissioner Goodwin said. "Our emergency service personnel should be supported with the best equipment and supplies needed to do their jobs correctly and safely."

The awarded state grant will allow our department to make necessary purchases. This will help our day to day operations and in turn helps us, help our community. The grant will be used for purchasing communications equipment, hoses, nozzles, turnout gear, and equipment for rapid intervention.
